Dear Lion President & Members

**Invitation to become a District Fellow – District 308 B1 Foundation**

Our District Governor encourages all Lions to contribute to the District 308-B1 Foundation, and all contributions received will be designated to our Lions Eye Clinic which will be set up this year in Klang Valley. Our District's strength in services will multiply many folds through these collective efforts from individual's contribution.

A Lion will be recognized as a District Fellow of District 308B1 for every RM1,000.00 contribution, and will be awarded with a District Fellow Plaque and a District Fellow Pin. Both items will be presented to the recipient during a Lion's function.

As District Chairman for District Foundation 2008-2009, I would like to appeal to you and your fellow members to contribute as a District Fellow, which is also one of our criteria to gain points for the District Governor's Club Excellence and other Awards.

All Clubs can take this opportunity to show appreciation to their deserving Lions with a District Fellow, and you may also extend this invitation to your family members too.

I am pleased to enclose herewith a District Fellow Application Form for your convenience. And, with your support, I am confident that our District 308B1 will achieve our target of funding a "Lions Eye Clinic".

Thank you in anticipation of your favorable response, and I wish you and your members a very meaningful Lionistic year ahead.

Warmest regards!

"Serve with Dignity"
