Newsletter AUGUST 2009

Greetings and Congrats,

They say "Time waits for no man", and how true it is. In the wink of an eye, 1 month just passed so quickly without our knowing and now you are looking at our 2nd issue of our E-Newsletter. Thanks to the Bulletin Chairperson, James Andres, who has done a marvellous design on the format, where it is more of a live page for interactive purposes.

July has been great for the Lions and the movement as a whole. *The Green theme* has been promoted through the new cabinet uniforms and the 1st *Loving Sunday (Loving Friday for East Coast)* has seen more than 80% of Lions Clubs going out together as a team engaging in various services for the less fortunate. Thank you all and please continue this great programme of the District.

THE LEO PROGRAMME has now been officially recognised by the Education Ministry after the Deputy Prime Minister, YAB Tan Sri Muhyiddin Yassin, who is also the Education Minister, made the official announcement during the DG Inauguration. Let us take this opportunity to expand more Leo Clubs in our District.

MEMBERSHIP GROWTH for July has been great where 2 Presidents, Low Kin Yak – Kuala Terengganu and Yee Kok Kong – Seremban Central, Ranked Tops in the M1 Awards. Please go to the District website for more great news by clicking the M1 Icon. A total of 44 new members were inducted. Get inspired and be a M1 Award Winner yourself this August and find your name listed on our website.

My wish is to see that the August 30th Loving Sunday and August 28th Loving Friday will garner more support from all Lions and Friends, and to share this joy of giving.

In conclusion, let us stand tall as Lions and **SERVE WITH PRIDE**, God Bless Everyone.

Sincerely Yours

Ln Datuk Danny Ooi

District Governor 2009-2010
