We Believe

DR. BEN C. NG
DISTRICT GOVERNOR 2011 - 2012
PERFORMANCE NOW!

➤ Believe in Service ➤ Believe in Club Members ➤ Believe in Leadership ➤ Believe in Projecting Lion's Image

Issue 3, 2011-2012

Issue No: 3 E-newsletter! Wow...to be able to have continuous newsletters, show that the entire district has many things going on! So many things to produce, so many things to share and so many to admire.

Fellow Lions, the 2nd quarter of the fiscal year just begin. Clubs have been on a forward turbo drive; pursuing the ultimate goal. This is very healthy; indicating that 'enough' is not enough, until it's deemed to be 'enough'. Every club is gunning for the best and be reminded that this year we have 'Champion' clubs, on top of 'Top' clubs. This will put many clubs in the elite category!

Short while ago, we have a visit of another International officer; International 1st Vice President, Wayne A. Madden. The few days he was in Kuala Lumpur have been quite hectic with programs from morning till evening. Appreciation goes to 1st Vice District Governor, Chan Hoi who represented the District and his members of the organizing committee. A well organized events for 3 solid days! Thanks again. We are sure Vice President Wayne would have accumulated many memoirs of his short stay in district B1.

Tree planting have been going on strong; with many clubs already embarking on this project. Our target of planting at least 10,000 trees will be realized only when we do that on November 20th in the State of Johor. We would like every Lion in the district to head to Johor to make this mammoth project a success; especially if the Sultan of Johor is gracing it. And perhaps our International President, Dr. Tam Wing-Kun who have heard of it will also be present on that day. Please contact Lion Vegent Pang, DC PDRM Johor/Local Council for further details. Awards have been created for participating clubs.

Leadership training/enhancement for Lions is enthusiastically going on with District Faculty Conference at the end of the month and Lions Mentoring Program in mid-December. Potential Lions are encouraged to participate in these programs. We are sure there are many Lions with qualities still untapped.

Monsoon season is brewing furiously at this time. Lions are to keep alert on unforeseen happenings and DC for Alert/Disaster is on stand-by now. Let's be on our toes and extend our hands whenever needs arise.

Okay, fellow Lions, so much for the moment. There are many things to write about the so many excited & enthusiastic Lions in the district, I will keep it for the next issue.

Keep on reading...and just be a Lion!

"We Believe"

Your Governor,

Dr. Ben C. Ng

"If we always do what we have always done, we will always be what we have always been."

GREENING YOUR NEIGHBOURHOOD

Dear Club Presidents,
Greetings from the district.

As you have already knew, our district is targeting to plant 10,000 trees this fiscal year; which is in line with LCI initiative of planting 1 million trees. Many clubs have already embarked on planting. It's very encouraging and very exciting and getting our hands soiled for a very good cause. To appreciate clubs participation;

We have proposed to award clubs who excel in planting trees in the following awards:

1. 100 trees : - Bronze Believer Award
2. 150-200: - Silver Believer Award
3. 200-250:- Gold Believer Award
4. 250 +:- Platinum Believer Award

The above awards will be in the form of a banner patch and certificate; and will be given during the award presentation night at district convention in Kuching.

So, Presidents, even if your club has already planted some, we would like to encourage all of you to participate in a massive tree planting project on November 20th in the State of Johor; to be graced by HRH Sultan of Johor and perhaps our International President, Dr. Tam Wing-Kun. This is the chance to go for the awards and also be rubbing shoulders with these VIPs. Kindly contact DC Lion Vegent Pang, PDRM Johor/Local Council, of Lions Club of JB City for further details.

Make planting trees our noble way of life and at the same time saving our mother earth.

We will be hearing from all of you pretty soon.

Regards
Dr. Ben

亲爱的会长们,

为了配合今年度国际狮子会种植一百万棵树的倡议, 区会设定了种植一万棵树的目标。目前许多狮子会已开始进行这项种树活动。我们建议设立以下奖项给表现优异的狮子会:

1. 信誉铜牌奖 - 种植一百棵树
2. 信誉银牌奖 - 种植一百五十至二百棵树
3. 信誉金牌奖- 种植二百至二百五十棵树
4. 信誉白金牌奖- 种植二百五十棵以上

以上奖项将在古晋狮子大会的区会颁奖之夜颁发锦旗与证书

所以会长们, 即使你们的狮子会已经开始种植树木, 我们还要鼓励大家来参加十一月二十日在柔佛州举办的一个大规模的种树活动。这项活动将会因柔佛苏丹殿下或者是国际狮子会总会长

谭荣根博士的驾临而增辉。这不仅是一个令你获取奖项的机会, 同时也能和尊贵的人物接触。请联络马来西亚 (柔佛州) 警察部队/地方委员会, 区委员会主席彭威铨狮兄 (新山城市狮子会), 以便了解更多的细节

让植树成为我们保护地球的一种高尚的生活方式

我们将很快听到你们的回应

谨此 致意

总监
黄明全医生

- 2nd - 6th November, 2011 - MD 308 Regional Lions Leadership Institute at Penang
- 7th November, 2011 - Club Excellence Process 2nd Workshop in Kuala Lumpur
- 10th - 13th November, 2011 - Senior Lions Leadership Institute in Fukuoka, Japan

Lions Clubs International

LIONESS BRIDGE PROGRAM

WE NEED YOU!

- You are part of our family.
- You share our enthusiasm for helping others.
- You know what it means to be a Lion.

Dear Lioness,

Ever since you were part of the Lions movement, you have always been a strong "force" behind every Lion. You have come a long way; you have created waves; you definitely have made a difference. A difference that no one could emulate. You are the special kind; the kind that every Lion would like to be associated with. You have that special touch; special caring attitude and special way.

Policies have changed; a change that have taken the movement by 'storm'. Ever since the introduction of women into the movement in 1988, Lionism has evolved into an era of 'A Family Club'. It has made both you and I into a "Let's work together" concept; all with one mission in mind.

So, Lioness, just think of what you could have done to make a difference by being a Lion.

Why not give it a thought?

Come on, join us as a big family – be a LION now.

The District Governor, Dr. Ben.

STILL NEED MORE REASONS TO JOIN?

As a Lion, you can:

- Continue to make a real impact on your community
- Receive support from Lions Clubs International
- Help fulfill our mission and vision
- Hold Lions club, district and international offices
- Vote on club matters and send delegates to vote on district, multiple district and international matters
- Help grow a stronger and more vibrant association
- Receive awards and recognition for membership and service

The Lioness Bridge Program makes it possible for Lionesses to honor and acknowledge their proud past while enjoying all the benefits, rights and privileges associated with Lions club membership.

JOIN AN EXISTING CLUB

As a Lioness, you have a special opportunity to join one of the 45,000 Lions clubs making a difference worldwide.

By joining a Lions club, you will receive credit for your Lioness service years to go toward Chevron Awards.

You will also receive a distinctive Lioness-Lions Pin to recognize your past service.

Family Membership Program

When you join a Lions club that your spouse or other family members in your household belong to, you receive an entrance fee waiver and pay only half international dues.

START YOUR OWN LIONS CLUB

Starting your own club will enable you to hold meetings at your convenience and choose projects and activities which interest your members.

Lioness Lions Club

You can charter a Lions club with the use of "Lioness" in your club name. This distinction is a recognizable moniker to the community that the Lionesses have served for many years.

To charter a Lioness Lions club, you will need:

- 20 or more charter members (Lionesses, former Lionesses and other like-minded community members)
- A sponsoring club, zone, region, district cabinet or district committee
- Completed charter application and report of charter members
- Your current district governor's approval
- Appropriate charter fees and certification forms

Request a New Club Extension Kit from the Membership Programs and New Clubs Marketing Department.

Club Branch

Lionesses can continue working alongside their sponsoring Lions club, but hold independent meetings, elect their own officers and facilitate their own projects.

Only five members are needed to start a club branch.

Plus, Lionesses in a club branch can still take advantage of the Family Membership Program if family members belong to the parent club.

Think It Over

Are you an active member
The kind that would be missed
Or are you just contented that
Your name is on the list

Do you attend the meetings
And mingle with the flock
Or do you stay away
And criticize and knock

Do you take an active part
To help the work along
Or are you satisfied to be
The kind that "just belongs"

Do you ever work on committees
To see there is no trick
Or leave the work to just a few
And talk about the clique

So come to meetings often
And help with hand and heart
Don't just be a member
But take an active part

Please just think this over
You know right and wrong
Are you an active member
Or do you "just belong"

By: Just Ben
