

Lets Remember Why We Joined

I can easily wreck in a day or two
What it's taken builders years to do
I thought to myself as I went on my way
Which of the roles have I tried to play?

Am I a builder who works with care
Measuring life by the rule and square
Am I shaping my deeds to a well made plan
Carefully doing the best I can
Or am I a wrecker who walks the town
Content with the labour of tearing down?
