

District Logo & Theme

The Logo

1. The Blue circle represents Lions Purposes, while the yellow crescent represents the Lions Code of Ethics.
2. The lighthouse represents that the Lions not only giving hope to the needy but also helping and guiding them through our Lions projects and activities.
3. The 9 points of the star signify 9 Regions in our District and they will together work hand in hand in unity and harmony as reflected by four chain of hands to achieve the District's overall goals and objectives.
4. The LCI logo placed at the centre of the lighthouse represents that Lions have great heart and passion to serve the needy and the under privileged.

The Theme

The Theme for the year is "Together we Serve as One"

It simply means all Lions must always uphold their chartered obligations and the basic values of Lions movement while serving the community in line with LCI motto "We Serve". The effectiveness of the Lions in providing service to the needy and the under privileged will be more successful when we all work Together in harmony and Serve as One, consistent with views of Henry Ford who once said:-

"Coming Together is a Beginning.
Keeping Together is Progress.
Working Together is Success."

So let us ***TOGETHER SERVE AS ONE.***
