88TH INTERNATIONAL CONVENTION IN HONG KONG

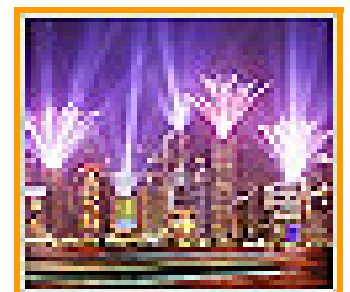

This is an extract from our Council Chairman, Allan Cheah's e-mail for your information and action:

"PDG Dato' Dr. Foo Wan Kien shall proceed to get a band for the convention parade and the Council will pay Dato' Dr. Foo directly. The one-mile long parade will take place on Hong Kong Island. Important to inform you that the parade participants MUST be registered for the convention and wear their official convention

name badge, otherwise they will not be allowed to enter the assembly point. (This has happened in Detroit)

Participation delegations from MD308 will look for the **BLUE colour batek** to line-up themselves. Although the parade is set to step off at 6.00 pm, our assembly time is 7.00 pm as we are placed on group No. 133.

Rules and procedures of the parade will be informed after the Council Handover meeting in Penang."

NEW CLUB SEMINARS AT HONG KONG CONVENTION:

Dynamic Lions leaders will present several motivational seminars at the International Convention on June 28 through June 30, 2005.

- "Share Success Through New Club Development"
Tuesday, June 28, 11:00 – 12:30
Seminar will focus on involving new people in Lions activities by chartering a new club in an underserved area. This practical workshop will cover identifying new locations for Lions Clubs and the steps to take for successful new club development.
- "New Century Lions Clubs: A New Century of Service"
Wednesday, June 29, 15:30 – 17:00
Seminar will focus on the New Century Lions Club: a flexible club format

tailored for younger adults through age 35. The New Century Program encourages young adults to charter a New Century Club. This new club style focuses on service while it also allows for meeting flexibility and utilizes modern communication technology, so that members use their time effectively in a way that fits their busy lifestyle.

- "Certified Guiding Lion Training"
Thursday, June 30, 13:00 – 16:30
Seminar will enable a Lion to develop Certified Guiding Lion skills by participating in this in-depth course. The seminar will focus on the skills and knowledge needed to assist a new club through its first two years of service. Each participant will receive a Certified Guiding Lion kit and, upon successful completion, will also receive a certificate suitable for framing.
