- Animal Life
- Plant Life
- Weather Phenomena
- Our Changing Environment

FROM THE DESK OF CABINET SECRETARY, MARGARET YUN

1. New Process for Submitting Monthly Membership Reporting (WMMR) by Clubs:

With effect from April 2008, there will be a change in the due dates for clubs to submit the WMMR to LCI. For example, the April 2008 report must be submitted within the month i.e. 1st April 2008 till 30th April 2008 and no longer the 5th of the following month. The changes will enable LCI to produce a more and timely monthly membership report rather than the report being 1 (one) month late. Secondly, it will provide more accuracy and consistency between the LCI cumulative monthly member reports and Club Billing Statements and District Financial Recap Report. Clubs are reminded to submit the WMMR within the same month with immediate effect.

2. International Dues:

Clubs are reminded to settle their LCI dues as soon as possible because LCI is very strict on Clubs which has outstanding dues for more than 150 days and if not settled, the club will be suspended. Once your club has been suspended, you will be dropped from LCI locator and you will not be able to submit any reports to LCI until you have made the payment to LCI.
