## 1. Website Monthly Membership Report (WMMR)

Please be reminded that with effect from April 2008, clubs have to submit the WMMR to LCI within the same month. This monthly reporting will enable LCI to produce a more timely cumulative monthly membership report and also it will provide a more consistency and accuracy between LCI cumulative monthly member report and Club Billing Statements and District Financial Recap reports.

## 2. Family Unit Family

Clubs that have family units must be certified by 30 May 2008, to receive reduced dues for the July 2008 billing period. Club Secretaries can certify family units online or mail in the completed form to the Club Records Department with their WMMR.

Clubs are reminded that the deadline for Club Membership Growth Award will close on 30th June 2008. Please refer to the District Handbook for guidelines.

**Note : The Lions Club of KL Metro Prima has been cancelled from the Lions Clubs International register.**
